

Science – Combined Higher

Date	Exam	Topic	Suggested revision strategy	Suggested outcome from revision time this week (what a parent can expect to see)
Week 1	Biology Paper 1	Bioenergetics	<p>Biology Use revision guides to:</p> <ul style="list-style-type: none"> - Revise p46-48 - Practise p61 - Review p82 <p>Complete and purple pen Bioenergetics revision mat. Complete and purple pen Bioenergetics exam questions. Complete additional Sparx questions.</p>	<p>Purple panned workbook pages. Purple panned revision mat. Purple panned exam questions. Sparx questions completed.</p>
Week 2	Chemistry Paper 1	Chemical Changes	<p>Chemistry Use revision guides to:</p> <ul style="list-style-type: none"> - Revise p114-119 - Practise p132-133 - Review p150-151 <p>Complete and purple pen Chemical Changes revision mat. Complete and purple pen Chemical Changes exam questions. Complete additional Sparx questions.</p>	<p>Purple panned workbook pages. Purple panned revision mat. Purple panned exam questions. Sparx questions completed.</p>
Week 3	Physics Paper 1	Particle model of matter	<p>Physics Use revision guides to:</p> <ul style="list-style-type: none"> - Revise p210 - Practise p223 - Review p227 <p>Complete and purple pen Particle Model revision mat. Complete and purple pen Particle Model questions. Complete additional Sparx questions.</p>	<p>Purple panned workbook pages. Purple panned revision mat. Purple panned exam questions. Sparx questions completed.</p>

Week 4	Biology Paper 1 Chemistry Paper 1 Physics Paper 1		Exam Papers Choose 2 out of the 3 Paper 1 tests to complete (<i>if you have time in your revision timetable, complete all 3</i>) Purple pen using the mark scheme	Purple penned workbook pages. Purple penned revision mat. Purple penned exam questions. Sparx questions completed.
Week 5	Biology Paper 2	Homeostasis	Biology Use revision guides to: <ul style="list-style-type: none"> - Revise p50-55 - Practise p62-63 - Review p83 Complete and purple pen Homeostasis revision mat. Complete and purple pen Homeostasis exam questions. Complete additional Sparx questions.	Purple penned workbook pages. Purple penned revision mat. Purple penned exam questions. Sparx questions completed.
Week 6	Chemistry Paper 2	Organic Chemistry.	Chemistry Use revision guides to: <ul style="list-style-type: none"> - Revise p136-139 - Practise p154 - Review p174 Complete and purple pen Organic revision mat. Complete and purple pen Organic exam questions. Complete additional Sparx questions.	Purple penned workbook pages. Purple penned revision mat. Purple penned exam questions. Sparx questions completed.
Week 7	Physics Paper 2	Magnetism and Electromagnetism.	Physics Use revision guides to: <ul style="list-style-type: none"> - Revise p206-209 - Practise p222 - Review p226 Complete and purple pen Magnetism revision mat. Complete and purple pen Magnetism questions. Complete additional Sparx questions.	Purple penned workbook pages. Purple penned revision mat. Purple penned exam questions. Sparx questions completed.

Week 8	Biology Paper 2 Chemistry Paper 2 Physics Paper 2		Exam Papers Choose 2 out of the 3 Paper 2 tests to complete (<i>if you have time in your revision timetable, complete all 3</i>) Purple pen using the mark scheme	Purple panned workbook pages. Purple panned revision mat. Purple panned exam questions. Sparx questions completed.
