In addition, the transition pack may contain resources like PowerPoints, assessments and activities for you to try at home over the summer.

We recommend you use Cornell Notes to prepare for your new course. Please see this video to help you develop the technique: <https://youtu.be/WtW9lyE04OQ>

Welcome to Criminology!

You have chosen a subject that combines elements of psychology, law and sociology and that complements studies in social sciences. Each unit has an applied purpose which demands that learning is related to authentic case studies – this is the interesting bit! It will certainly ‘keep you on your toes’ and make you think in ways you couldn’t imagine. You will certainly have a very different outlook on society by the end of your course.

Overview of the course:

This is a two-year course. Units 1 and 2 completed in the first year comprise an 8-hour Controlled Assessment plus a formal examination. This is replicated in Year 2 with Units 3 and 4. You must **complete and pass ALL units** to gain the Diploma. The overall grades will be recorded on a scale A*-E.

Unit 1: Changing Awareness of Crime (Controlled Assessment)

Unit 2: Criminological Theories (Exam)

Unit 3: Crime Scene to Courtroom (Controlled Assessment)

Unit 4: Crime and Punishment (Exam)

Look at the specification for more detail about these topics. You can find this at:

<https://www.wjec.co.uk/media/21xjkr24/applied-diploma-in-criminology-specification-from-2015.pdf>

You will be expected to **know and understand** the information covered, to be able to **apply** that knowledge and understanding and to be able to **analyse and evaluate** that knowledge and understanding.

Expectations of the course:

- Lessons consist of taking notes, group discussions, watching relevant DVDs/documentaries, group work and PowerPoint presentations.
- Homework consists of note making, wider reading, research, past exam questions, power points and essays. It is expected that about 5 hours a week will be spent on Criminology homework.
- The ***Reading and Watching List*** on the following page will help you to gain wider knowledge and a broader framework in which to apply your knowledge. You will be expected to choose something to watch/read every half term and to feed back to the rest of the class. You may do this individually, in pairs or groups.
- Your progress will be reviewed on a regular basis. The review process will provide feedback at specific times throughout the year. You will also be expected to be within two grades of your target grade on each piece of work.
- You are expected to use the resources available to you in the library and common room here and are strongly encouraged to use libraries outside of school, not just the internet.
- Your folders of notes will be checked on a regular basis to see if you are organised and up to date with your work.
- USE YOUR STUDY TIME AND BE PRO-ACTIVE.

Task 8

Go to the Police UK website <http://www.police.uk/> type in your local postcode and look at the crimes in the local area. Consider which crimes the police should be focusing their resources. Alternatively try this <https://www.streetcheck.co.uk/blog/2015/07/crime-and-policing-information-now-available>

Which crime has been reported the most?	
Which crime has been reported the least?	
Is there an area you think police should focus on based on this data?	
Does this data reflect your perception of crime in your local area? How so?	
Is there a crime that is not being reported or recorded by the police?	

Task 9

Research the case of Ruth Ellis. Ellis was convicted of murder and was hanged in 1955. Find out whether Ellis should have been convicted of murder or manslaughter. Explain why this judgement is made. Complete further research on the Ellis case and decide how she could have been defended from being hanged.

Task 10

Take the Eye Witness Testimony test. Watch the video. When it tells you to pause, write down what you remember about the criminal.

Description:

Gender:

Hair colour and length:

Clothing:

Anything else significant:

.....

Were you right?

Now look at how the unreliability of eye witness testimony can affect real cases.
